ABOUT

Aspiring software professional seeking an entry-level opportunity to apply knowledge of web development and machine learning fundamentals, contribute to meaningful projects, and develop into a skilled engineer or consultant through continuous learning and hands-on experience.

EDUCATION

- | | |
|---|-------------------|
| Sri Manakula Vinayagar Engineering College | Puducherry, India |
| ▪ <i>Bachelor of Technology - Information Technology; GPA: 8.50</i>
(Honours – Artificial Intelligence and Machine Learning) | 2023 - 2027 |
| ST. Patrick Matric Higher Secondary School | Puducherry, India |
| ▪ <i>Higher Secondary School; Percent: 86.5%</i> | 2022 – 2023 |

SKILLS SUMMARY

- **Programming & Databases:** Python, SQL
- **Machine Learning (Basics):** Data Preprocessing, Supervised and Unsupervised Learning, Model training and evaluation
- **Frontend and Tools:** HTML, CSS, JavaScript, Jupyter Notebook, Google Colab
- **Software Engineering:** SDLC, Agile
- **Professional Skills:** Learning Mindset, Team Collaboration, Leadership, Time Management, Clear Communication, Openness to Feedback

PROJECTS

- **UNAsked – Stress Monitoring Exe:**
 - Led a team of four to build “**UnAsked,**” a Python-based tool that detects user stress during computer use by analyzing typing speed, frequent backspaces, and mouse movements.
 - Developed the core prototype and coordinated the team during a hackathon, securing 3rd place among 30 finalist teams selected from 4,000+ participants.
- **Spam Detection System:**
 - Led a team in developing a spam detection solution, contributing to data preparation, basic analysis, and model logic to identify and classify spam content.
 - Oversaw task allocation, progress tracking, and collaboration within the team while ensuring project objectives and timelines were met.

CERTIFICATIONS

- **Deloitte** – Data Analyst Virtual Job Simulation (Forage)
- **AWS Cloud Foundations, AWS GenAI Foundations** – Training Badge
- **Cisco Networking Academy** – Cybersecurity Essentials
- **NPTEL** – Software Testing (Foundational)
- **Wadhvani Foundation** – Effective Speaking & Listening, Professionalism in the Workplace

Activities & Achievements

- Attended a machine learning workshop conducted neers in IITM Research Park.
- I attended an IEI technical workshop and professional development program.
- Participated in Eureka – E Cell (2025)
- Third Place – Hackcelerate'26 (SRM Ramapuram)
